FEATURES

- Select-grade timbers, chosen for reliability, hardwearing character and attractive appearance; show timbers include American Hard Maple, Mahogany and New Zealand Spruce.
- Traditional Alcock slip fitting cushions – with their well-deserved reputation for pace, reliability and angle of response, including matched set of moulded rubber by Northern Rubber Co of Retford, England.
- (Optional extra) steel block cushions, if desired.
- Pocket openings cut and shaped to conform to 1981 International Billiards and Snooker Federation templates for match play, unless otherwise directed.
- Slate Bed – in sections jointed together by brass dowels, machined to receive 4 inch cushion bolts, pocket opening profiles to conform to 1981 International Billiards and Snooker Federation standard, machine ground and hand finished to produce a playing surface of unrivalled reliability.
- The Cloth – the finest available from the mills of Strachan & Co of Gloucestershire, England. Some colour choice is available.
